Dear Parent,

As your child transitions from Grade II to Grade III, we would like to bring to your attention a few important points to ensure a smooth and effective academic year.

Please Note:

1. **Subject-Specific Teachers:** From Grade III onward, different teachers will be assigned to teach various subjects, replacing the concept of the mother-teacher.
2. **Assessments:** Periodic, half-yearly and Final assessments will commence from this year. Students will be prepared, and details will be shared in a timely fashion with parents.
3. **Washroom Assistance:** As students become more responsible and independent, a common nanny will be assigned to assist them to the washroom.

We understand that this transition may cause concern but be assured that we will take every precaution to ensure our students adjust comfortably to their new environment and to become independent learners.

Regards,
Principal
