It included:

- Structured instructional days
- Periodic assessments and board examinations
- Subject weeks and experiential learning modules
- National and international observance days
- Sports, cultural and co-curricular activities

Details of Teachers including qualification

The school is supported by a qualified, experienced and dedicated faculty team.

All teachers possess the required academic and professional qualifications as prescribed by CBSE.

The focus remained on nurturing teachers as facilitators, mentors and lifelong learners.

Teacher Training & Professional Development

Continuous professional development remained a key priority throughout the academic session.

Teachers actively participated in structured workshops and training programmes aimed at strengthening pedagogical competencies and enhancing classroom practices. These included:

- Project-Based Learning (PBL)
- Inclusive Education and CWSN Sensitisation
- Classroom Management Strategies
- NCF 2024 Implementation and Macro Planning
- POCSO Awareness, Wellness and Mental Health

In alignment with CBSE guidelines, all teachers successfully completed **50 hours of Capacity Building Programmes**, covering the following mandatory areas:

- **Annexure 1:** Core Values and Ethics
- **Annexure 2:** Knowledge and Practice
- **Annexure 3:** Professional Growth and Development

These initiatives significantly enriched teaching methodologies, promoted reflective teaching practices, and strengthened overall classroom effectiveness, thereby ensuring meaningful and engaging learning experiences for students.

Academic Achievements

- **100% CBSE Board Result in Class X**
- High percentage of distinctions and First Division results
- Strong focus on competency-based and experiential learning
- Gap analysis and remedial interventions for learner support
- Enrichment tasks for gifted learners and inclusive strategies for students with special needs

Academic planning remained student-centric, data-driven and NEP-aligned.

Efforts in the Field of Environment Education

Environmental consciousness was actively promoted through:

- Eco Club initiatives and SDG-linked assemblies
- Tree plantation drives and green audits
- Waste segregation and recycled art activities
- Save Water Rally, Anti-Cracker Awareness and No Tobacco Campaign
- Earth Day celebrations and sustainability projects

Students demonstrated responsibility towards nature through action-based learning.

Sports Achievements

The school places strong emphasis on physical fitness, discipline, teamwork and sportsmanship, ensuring that every child receives ample opportunities to explore and excel in sports.

- Annual Sports Day featuring athletics, yoga displays and boot camp activities
- Regular Sports Periods integrated into the daily timetable for all classes
- Inter-House Competitions in football, cricket and athletics to promote healthy competition
- Participation in Zonal and Inter-School Events in athletics, skating, badminton and football

In addition to mainstream sports, the school offers students exposure to a wide range of specialised and non-traditional sports disciplines, encouraging skill development, confidence and holistic growth. These include:

- Horse Riding
- Shooting
- Pickleball
- Paddleball
- Taekwondo
- Self-Defence Training
- Skating
- Badminton
- Football
- Basketball
- Cricket

Through this diverse sports programme, students develop physical endurance, coordination, leadership qualities and resilience, making sports an integral component of holistic education.

Innovations

The academic session 2024–25 witnessed the introduction of several innovative and learner-centric practices aimed at enhancing engagement, leadership, empathy and holistic development.

- **Human Library:** A unique initiative where parents, teachers, alumni and community members became “living books,” sharing real-life experiences to foster empathy, resilience, inclusivity and life skills among students.
- **Suitcase Library:** An international collaborative reading initiative promoting global exposure, cultural exchange and a love for reading through shared books and letters with students across borders.
- **Goenkan ERP:** A comprehensive digital platform enabling academic tracking, assessment management and effective parent-school communication.
- **Student-Led Conferences:** Encouraged inquiry-based learning, reflection, ownership and confident presentation of learning outcomes by students.
- **Bagless Saturdays:** Theme-based experiential learning days focused on hands-on activities, creativity, life skills and joyful learning.
- **Shadow Principal Initiative:** An experiential leadership programme offering students first-hand exposure to school administration, decision-making and responsibility.
- **Gandhi Corner:** A dedicated value-education space promoting principles of truth, non-violence, simplicity and responsible citizenship.
- **Grandparents’ Corner:** A special intergenerational engagement initiative nurturing emotional bonding, respect for elders and cultural wisdom.
- **Plants Purification Programme:** Classroom-based indoor plantation initiative promoting environmental awareness, air purification and responsibility towards nature.
- **Funday Saturdays:** Monthly experiential learning programmes integrating creativity, collaboration and cross-curricular engagement.
- **School Café Initiative:** A student-supported enterprise model developing entrepreneurship, teamwork, hygiene practices and financial literacy.

These innovations collectively nurtured creativity, leadership, empathy, responsibility and critical thinking, preparing students to become confident, compassionate and future-ready individuals.
